

Do *more* than just say, “Thank you for your service.”

Sponsor the Patriots Path Program

This grateful phrase is just the beginning of a much needed conversation. Last year nearly 80% of veterans surveyed left the military without a job, expecting to find meaningful employment quickly. For many, the transition was anything but smooth. At **Patriots Path**, our mission is to provide resources, assistance, and inspiration to military personnel as they transition to civilian careers. Our 5-part interactive course is just what they need to build - **Strength. Hope. Purpose.**

A CUSTOM BIRKMAN REPORT SET

BIRKMAN MAP

The symbols on your Birkman Map identify who you are on two key dimensions: the placement of the symbol within a color quadrant represents the degree to which you display similarities to that color quadrant. The left and the right sides of the map (horizontal axis) represent your preference for dealing with tasks or people. The top and the bottom (vertical axis) represent whether you are more extroverted or introverted in your style.

- ♦ **INTERESTS** - The material represents what you like to do and where you graduate in terms of activities you enjoy.
- ◇ **ASIAL NEROSCOPE** - The diamond represents how you usually behave. These are your strengths, and they comprise your best, most productive style. This is how other people see you. Usual behavior is how you act when your needs have been met.
- **NEEDS** - The circle represents how you need to be or expect to be treated by other people and your environment. Needs often remain hidden or invisible to others.
- **STRESS BEHAVIOR** - The square represents your frustrated behavior. This is your reactive, unproductive style. Stress behavior is how you act when your needs have not been met for an extended period of time. You may see some of the challenges you face arise here.
